

# LAEEQAH ARENDSE

## EDUCATION

Livingstone High School

2018 - 2022

I matriculated from Livingstone High School in 2022 and received

my National Senior Certificate. I achieved fourth place in my Matric year and received distinctions in Afrikaans, English, History Mathematical Literacy and Life Orientation. I completed the Project Management Institute (PMI) and JASA (Junior Achievers South Africa) Entrepreneurship program.

Cape Peninsula University of Technology

February 2023 - Present

I am currently in my third year of studying towards a BTech degree by first completing my Diploma in ICT: Applications Development which involves back-end and front-end coding, project management, professional communication & presentation, information management and systems, web design/development and software and hardware components. In my first year I achieved distinctions in Programming, Professional Communication, Project, and Communication Network Fundamentals. In my second year I earned distinctions in Professional Communication and Communication Network Fundamentals. As part of my 3<sup>rd</sup> year, I am required to complete an internship/Work Integrated Learning (WIL).

## WORK EXPERIENCE

Tradeway – Promoter/Brand Ambassador

April 2024 – December 2024 (Part-time Student Work)

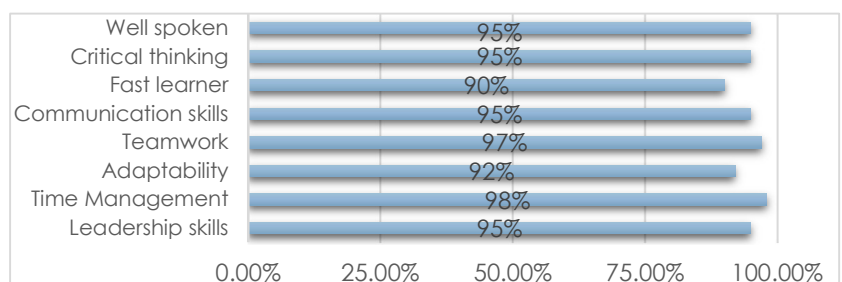

My responsibilities involved in-store promotions and customer engagement.

Les Femmes Wellness Centre – Receptionist/Administrator

May 2023 – September 2024 (Part-time Student Work)

My responsibilities involved bookkeeping, administration duties, events planning, technical support, client bookings and correspondence. I was on the NPO fundraising committee as well. I gained basic experience in M365, Azure, Intune and Desktop Support.

## SKILLS

## PROFILE

I am a 3<sup>rd</sup> year Application Development student who is a hardworking individual, always enthusiastic, optimistic, confident, and open to new experiences. I am goal driven and always excited to learn in the ever-changing world of Information Technology. I have experience in Java, HTML, CSS, JavaScript, Python, SQL, PostgreSQL, PHP, React, Flutter, API Design, Vue.js, Laravel and Spring Boot .
