Morning Anishka,

So sorry for the late message but I was rushed to the trauma unit yesterday morning and have been unable to communicate since then. I am currently in the ICU and unsure until when I will be here, but I do believe that I will be able to work from next week. I will probably have to create a new crims ticket but I will keep you posted.

Best Regards,
Laeeqah Arendse

Afternoon Laeeqah,

Thank you for the reply.

I will move your submission and presentation date to Friday, 22nd. You can either present first before the rest present or after separately in a one-on-one teams meeting. Sprint 4 for you can begin from Tuesday, 26th, while the rest are on sprint 5.

Do make me aware (only when you can) that you are okay with this or feel you need more time.

Get well soon and rest well

Best Regards,
Anishka Batchelor

Afternoon Anishka,

I apologise in advance if my replies are delayed as I am in hospital and only allowed a certain amount of screen time.

I have created the crims ticket. About my progress, I still need to complete my document with typography and imagery.

Best Regards,
Laeeqah

Morning Laeeqah,

Do not forget to make a crims ticket with regards to this if you are going to be absent tomorrow, August 19th. Then simply make me aware if the ticket was made.

Please tell me how far you are with regard to the sprint 3 submission so I can adjust your due date for both sprint 3 and sprint 4.

Best Regards,
Anishka Batchelor

Good Morning Anishka,

I hope you're doing well. I wanted to let you know that I've been put off due to a concussion I sustained on Friday. I am currently under the doctor's supervision in case any symptoms get worse. I would appreciate your guidance on the next steps I should take during this time and how I should go about with the submission for sprint 3.

Thank you for your assistance.

Best regards,
Laeeqah
